

***Starting on the 1st of  
March 2017 we will be  
Recycling unwanted  
crutches, sticks & frames***

**the ridge**  
Medical Practice

**As a Practice we now recycle returned metal crutches (in a pair held together with an elastic band), sticks and frames which can still be used.**

**If you have been loaned any of the above, and no longer need them and would like to return them, please do so to any of the places below:**

- **The Ridge Great Horton Rd Reception area**
- **The Ridge Smith Ave Reception area**
- **The Ridge Buttershaw Reception area**

**If you have equipment other than metal sticks, crutches or frames, which you no longer need, please check the equipment for any labels on where to return it and contact them directly.**

**By returning this equipment when you no longer need it, you are helping the NHS to save money, as we are able to recycle it. If you are unable to bring the items to any of the Practices listed we maybe able to arrange for these to be picked up.**

**Thank you.**
